

BIOLOGICAL POWER FOR YOUR BASE ST

A NEW LINE OF DEFENSE

AGAINST SUDDEN DEATH SYNDROME AND WHITE MOLD

For the suppression of **Root Rot and Post-Emergence Damping-Off** (*Rhizoctonia solani*); **White Mold** (*Sclerotinia sclerotiorum*) and **Sudden Death Syndrome** (*Fusarium virguliforme*).

- | Formulated from highly concentrated plant extracted chemicals, no living organisms.
- | Triggers the plants innate defense pathways upon germination to kickstart season-long disease protection.
